

*Achievement  
through Active  
Learning*

*Glenallen School*

Our role is to help the students to do as much as they can for themselves so that they can be as independent as possible.

Students at Glenallen have a physical disability and/or significant health impairment requiring paramedical support in the form of physiotherapy, speech pathology and occupational therapy.

There is no enrolment criteria relating to intellectual functioning. Glenallen School caters for students with a wide range of intellectual abilities.

**OUR VISION:**

Glenallen School seeks to be a leading specialist school, providing a dynamic and innovative environment that maximises individual student's learning

Glenallen offers a comprehensive developmental curriculum, in accord with the strands of the Victorian Essential Learning Standards (VELS), the Skills for Learning Curriculum (SLC) and the Transition 16+ program.

Swimming Pool

Teachers together with physiotherapists, occupational therapists and speech pathologists, operating as a transdisciplinary team, develop and implement individual student centred learning

Library
