TERM 1: ISSUE 1

19 February 2021

From the Principal

Principal Kate Rayment

Prayer

Loving God,

As we journey through Lent,
open our eyes to be filled with your
love.

Open our eyes to see your hope for
us.

Open our hands to do Your work.

Give us patience in our fast.

Give us hope in our prayers.

Give us compassion in our
almsgiving.

We ask this prayer through Your Son,

Who walks with us always.

Amen.

**Saint Scholastica and
Saint Benedict,
pray for us.**

Welcome Back

Welcome to the 2021 school year. Thank you to all the families who have been in contact to offer prayers and well-wishes for the year.

You will have already noticed some variations to the regular start of year, with ongoing restrictions in response to the COVID-19 pandemic. We all hoped it would be gone with our farewells to 2020 but, sadly, it is with us for a while longer and we will need to continue to adapt. We will keep you all informed of changes as we move forward through the year.

St Scholastica's Day Mass

One of the most significant changes for us so far this year was attendance at our St Scholastica's Day and Opening of the School Year Mass at the stunning St Mary's Cathedral. Years 7, 11 and 12 attended Mass, along with a small number of staff and the parents of our College leaders. Our 2021 College student leaders were formally commissioned and blessed. They will be great stewards of and for our community. The music was breathtakingly beautiful and appropriately enhanced the special liturgy for the Feast of St Scholastica.

Contents:

Boarding	P3
St Schols Day.....	P4

Uniform Shop	P14

I thank all involved in the Mass, especially Father Dominic Murphy O.P., our celebrant, and Soprano Narelle Yeo, the gifted mother of MacKenzie Boe (Year 11) whose strikingly beautiful voice soared through the Cathedral, enhancing our prayer and the sense of awe in the presence of God.

I also thank Ms Fran Vella, Mr Gerard Patterson, our musicians, readers, leaders, servers and all who assisted and attended. Thank you, too, to all who tuned in live or later to share the joy of this important liturgy. If anyone missed it, the Mass is available on the following link and is well worth setting aside some quiet time to enjoy it: <https://youtu.be/8CXtiVLJDns>

HSC 2020

We congratulate the Class of 2020 for the outstanding HSC results and the choices now available to them as they move into responsible adulthood.

The College Dux is **Lily Whitting**. Lily is thought to be the first Aboriginal Dux in our College's long history. We are very proud of our 2020 graduates and wish them all the best for the future. We hope they will stay in touch and join our alumnae body – the Ex-students' Union. Some of the 2020 graduates have been engaged as tutors for Homework Club on Mondays and Wednesdays. I encourage use of this fabulous, free resource.

Ash Wednesday

This week we enter the period of Lent, taking us on a journey of prayer, fasting and almsgiving as we prepare for Easter. Ash Wednesday is a solemn day that reminds us of our humanity and mortality. It begins a period of 40 days dedicated to other through praying for those in need and going without some of the luxuries we often take for granted in order to give generously, and at times uncomfortably, to the poor. We will be providing lots of opportunities for prayer and we encourage families to please help us to encourage the girls to spend a little less on themselves so they can give consistently and

generously to the Project Compassion Appeal. Project Compassion is the annual charitable appeal for Caritas Australia, with funds raised supporting the very poorest people here and abroad. It is a very worthy charity. Large donations are welcome directly to the front office or by contacting me. I would like to think that a community of almost 1200 people could raise at least \$12,000 for the charity. This would only reflect \$10 per person, or 25 cents a day for the 40 days of Lent.

Our Goals for 2021

- Publish our five-year Strategic Plan.
- Develop an Identity Statement and resources.
- Further build the Catholic life and Mission of our community.
- Finalise and publish the College:
 - Literacy Strategy
 - Numeracy Strategy
 - Data Strategy
 - Aboriginal & Torres Strait Islander Strategy
 - High Potential and Gifted Strategy
 - ICT Strategy
- Reinvigorate the College Teaching & Learning Framework.
- Develop a Risk and Compliance Strategy and address management priorities.
- Examine further opportunities for innovation and creativity in learning.
- Develop and implement new digital systems/solutions to support improvements to:
 - Learning
 - Communication
 - Record-keeping
 - Financial management
 - Enrolments
 - Professional Learning
- Complete Stages 2 and 3 of the College Masterplan.

I offer my prayerful best wishes to all for the year.

Mrs Kate Rayment
Principal

Boarding School

It was lovely to see the girls and their families return to the College on 27 January, and a very warm welcome to the 16 new girls in Boarding this year. All girls have settled into the Boarding school, and I commend **Chloe Taylor, Lucinda Cotter, Josie Kingwill and Tayla Lennon** for their incredible kindness in assisting the new girls, as they gradually become accustomed to the daily routine and opportunities that Boarding school has to offer.

Father Dom celebrated Mass in the dining room of the Boarding school on the evening of Friday, 29 January. The girls participated and contributed to this celebration, as we prayed for a happy, safe, and peaceful year in 2021.

The annual **Amazing Race** was held on 2 February, and all girls participated in a very competitive and fun way, wearing their respective team colours, with Team Purple winning the event.

Please do not hesitate to contact me if you wish to discuss anything in relation to your daughters' education and well-being.

Ms Libby Molony
Head of Boarding

St Scholastica's Day 2021

Last Friday the College celebration of St Scholastica's Day was able to go ahead with COVID-safe plans in place. Years 7, 11 and 12 were able to celebrate Mass in St Mary's Cathedral, with truly beautiful musical accompaniment by some of the College's finest musicians and singers. Our College Captains and the newly elected Prefects received their badges and blessing. Our Captains have been working very hard in their rolls since their election in 2020, and the Prefects have been wonderful supports with energetic work around Schols Day and the upcoming Year 7 Swim Carnival and Reflection Day. Year 7 families will receive more information separately for these events.

Back at the College, after recess all the students and staff were able to participate in a range of activities including the craft rooms, Volleyball competition, boardgames, cards and chess rooms, the talent show, pop-up movie theatres, "just dance" rooms, the photobooth, the sports group at Jubilee Park, the walking groups around Blackwattle Bay, and the Scavenger Hunt. Thank you to the student leaders and the House Mentors for the wonderful organisation and all the staff and Prefects and Captains for the management of the day.

The students were invited to contribute to fundraising efforts to support the Good Samaritan Foundation, the Canteen provided a COVID-safe pre-packaged lunch and many girls and staff enjoyed the picnic atmosphere of the day.

These community events, more than ever before, offer an important opportunity for the girls to be a part of an event larger than a handful of people. At the recent SMH Education Summit the Principal of North Sydney Boys High reflected on the negative impact a reduction in community activities can have in student achievement, and the Principal of

St Patrick's College has also recently discussed the importance of student participation with families.

We continue to focus on engagement with our students, with an open mind to new forms of engagement as part of our post-COVID society. Thank you to all the families who support these efforts. If your daughter requests to not attend a community day, please call and have a chat first with the Head of Year who will be able to work through the details of the event with you. We want to support the development of the girls in terms of their academic success and also their success in developing the skills needed to be participatory, engaged, positive members of the community.

Any leave requests need to be submitted a week in advance to allow for processing. Thank you for your ongoing support.

Dr Jen Petschler

Assistant Principal Pastoral Care

Homework Club

Homework Club for 2021 began on Monday 15th February. The details were emailed to all students, parents and guardians last week outlining the dates for the year. For those who are new to the College, Homework Club operates from 3.30pm to 5.00pm

each Monday and Wednesday. Students may attend one or both days. Please contact Adrian Eussen via email: aeussen@scholastica.nsw.edu.au if you have any questions or would like the permission form.

Staff Professional Development

Teaching staff began the year with a professional development session on the teaching and learning framework. This was a critical session and focussed on guiding teachers to maximise student outcomes. The session looked at research on recent pedagogical advances and the staff will look at ways of revitalising the current framework.

Study Skills for Years 9 and 11

Last Wednesday Year 11 participated in a study skills session offered by Dr Prue Salter. Dr Salter outlined many positive ways of dealing with critical elements of HSC study such as notetaking, distraction and strategies for completing set work.

On Monday 15th February Dr Salter also delivered an online study skills session to parents and students of Year 9. This provided the groundwork to develop good habits leading into senior study. To access the slides presented on the night please go to <https://www.enhanced-learning.net> and click on parents and students then click on 7 download slides and look for St Scholastica's. The password is **achieve** and this link is live for three weeks.

The College subscribes to the Study Skills website: www.studyskillshandbook.com.au which is dedicated to helping students develop essential skills for academic success. There are units of work on topics such as improving time management skills, how to study, research skills, summarising, technology use, brain and memory.

We encourage you to have a look at the site to see what topics are covered and what resources are available.

You may login with these details:

Mr Adrian Eussen

Assistant Principal Teaching

Year 11

Year 11 have made a great start to the year. At our first form meeting for the year, five students from our graduating class of 2020 attended and shared their insights, advice and experience of senior school study with the girls. The key pieces of advice included:

- Work **consistently** and work often.
- Develop a good **sleep schedule** and stick to it.
- **Don't panic** when a poor result is returned.
- **Consult regularly with class teachers.**
- find a **study routine** that works for you.

This advice was followed by a **study skills session with Dr Prue Salter** this week. Prue shared many helpful and practical tips with the girls. We recommend visiting Prue's website, it may prompt further discussion and planning at home: (<http://www.studyskillshandbook.com.au>).

The website includes tips and advice on a range of study skills, such as improving organisation and filing, goal setting, managing stress, overcoming procrastination, test-taking techniques, and a range of other worthwhile topics.

A very big thank you to our **Year 11 Big Sisters** who were an invaluable support for our new Year 7s throughout Launch week, helping the girls to settle into secondary school.

Our Big Sisters really demonstrated a true Schols community spirit, and their hospitality is greatly appreciated.

In Week Two, the girls elected their **House Prefects for 2021**. There were 58 nominees in total and all nominees were very worthy candidates, each demonstrating their commitment to serving our Schols community. The preparation started at the end of last year and I would like to say a big thank you to Ms Petschler and Ms Tresoldi for their organisation, planning, and development of the

student leadership program. Thank you also to the House Mentors and our Homeroom teachers for facilitating the voting process. Congratulations to our Prefects who have been very busy performing a range of duties since being elected.

Most of our Year 11 students are aware of the College's expectations in relation to **uniform**, however, it does remain an area of concern for some. Skirt length is an issue for some students and the cohort know that the skirt should touch their knee and they should not be rolling up their skirts. Your assistance in ensuring that this expectation is met is appreciated.

I look forward to guiding your daughters through their final two years of secondary school and supporting families at this important stage. I am familiar with many of the ups and downs the girls will experience and I will be there to assist them with their daily challenges and help them to maximise their opportunities.

Please don't hesitate to contact me if you have any concerns.

Prefects 2021

I am very pleased to announce here and below, our Year 11 prefects for 2021:

- Liturgy – **Mia Greco**
- Social Justice – **Rose Mitchell**
- Music – **Sofia Palleschi**
- Drama – **Lucia Bruce-Gilchrist**
- Debating and Public Speaking – **Elise Ali**

Canteen - Munch Monitor Program

Here is an interesting question - **Do you know what your daughter is eating for recess or lunch?**

We are observing on a daily basis, our students purchasing large quantities of energy drinks, chocolates, confectionary, chips and savoury treats from the SupaMart in the Tramsheds. The girls happily explain they are using the money given to them by their families to their buy lunch. Whilst we continue to promote healthy choices through curriculum and College initiatives, there is an important immediate alternative – our College Canteen!

Using the **Munch Monitor** program, which some families may be familiar with from primary school, families have the choice to work with their daughter to **order** lunch each day.

With the **Munch Monitor** program operating in the Canteen, parents and carers have discretionary spending when ordering recess and lunch items. Once ordered, students will then be able to use the express collection line with their **Munch Monitor** tag to collect their food.

The wonderful team at *iMake Catering* who run the canteen, have presented the following information on how to log in and order, and images of some of the meals available to the students and staff.

How to Order

Setting up an online account is easy!

1. Go to www.munchmonitor.com
2. Click **LOGIN**
3. Click **REGISTER**
4. Enter
 - School ID: **scholastica**
 - Password: **munch2037**
5. Click **Submit**
6. Enter your email address
7. Enter the password you want. Make sure you can remember your password
8. Review and tick on the Terms of use
9. Click **Create your Account**
10. Click on the **Activation Link** in the email we sent
11. Follow the steps to **create your Parent Profile**
12. **Add Students** to your account
13. Click on **Account Top-up** to transfer money into your account
14. **You are now ready to order online!**

Mission

Social Justice

An enthusiastic group of young women met last week to form the **2021 Social Justice Group**. The first meeting was spent planning and mapping out the focus for Term 1. The group came up with the following priorities for this term including:

- Fundraising for the Good Samaritan Foundation with a focus on the community in Kiribati.
- The launch of Project Compassion this week.
- Snack Packing for St Vincent de Paul.
- 'Social Justice Presents' – a segment designed to create awareness about contemporary issues.

Watch this space for information about each one of these in the next few weeks!

I take this opportunity to thank **Siena Marczan**, Social Justice Prefect 2020, for her work and commitment to Social Justice in a year which challenged us all in so many ways. We welcome our 2021 Social Justice Prefect, **Rose Mitchell**, who has been a regular member of the group throughout her Junior years. Rose has had a great start with leading and coordinating the group's priorities and activities so far.

Liturgy News

We welcomed **Mia Greco** into the role of Liturgy Prefect in 2021. Mia has begun the year enthusiastically contributing to our prayer life, organising the Angelus, and assisting in the preparation for St Scholastica's Day Mass last week.

ST SCHOLASTICAS COLLEGE

THIS SCHOLS DAY: HELP RAISE MONEY FOR THE GOOD SAMS

Sales from tickets go towards Kiribati to:

- Provide Early childhood education
- Assist with the detrimental effects of climate change
- Fund clean water and sanitation initiatives

FEBRUARY 12, 2021 (FRIDAY)

SOCIAL JUSTICE ASKS FOR YOUR HELP

I also thank **Caitlin Borg**, Liturgy Prefect 2020 who contributed well to the liturgical life of the College. Caitlin supported various activities at our Weekly Chapel program last year. We plan to expand our liturgy program with weekly Mass at the College and the introduction of the Lenten Prayer group for students to participate in this term.

Ms Frances Vella
Head of Mission

Ash Wednesday – 17th February 2021

This week the season of Lent begins with Ash Wednesday, which also marks the beginning of the annual Caritas Australia Project Compassion Appeal. Donations to Project Compassion allow Caritas Australia, the Catholic Agency for International Aid and Development, to work with local communities around the world to alleviate poverty, hunger, oppression and injustice.

This year, Caritas Australia's Project Compassion theme is 'Be More'. There was a virtual launch on Tuesday 16th streamed via Zoom from the Caritas Australia National Office in Sydney to over 100 schools. The Social Justice Group participated in the launch and learnt more about the 2021 Project Compassion theme. The students also learnt more about the work of Caritas and heard from the Caritas International Programs team and representatives.

Madeleine Johnston (Year 7), **Sarah Goff-Tunks** and **Rose Mitchell** (Year 11) attended the launch and were commissioned to be ambassadors for Caritas throughout Lent.

We encourage you to put your compassion into action this Lent through your prayer, fasting and almsgiving by supporting Project Compassion. Each Homeroom class will receive a Project Compassion box and are encouraged to make donations to Caritas during the season of Lent.

Ms Frances Vella
Head of Mission

PROJECT COMPASSION
BE MORE

Important Notice

COVID-19 Test Requirements

Students are required to stay at home from school if they are displaying cold or flu symptoms. The student may return to school only once a COVID-19 test has been completed with a negative result and the notification has been forwarded to the College. If the results from the COVID test are sent directly to the student's phone, upon her return to school, the student must present the results to the Front Office staff before going to Homeroom.

Thank you.

Uniform Change – College Backpacks

3197R02SK

Backpack 33L Yrs 7-12
Product no. 3197R02SK
\$95.00

We have introduced a small change to the College uniform – all students will be required to use the St Scholastica's College backpack.

There is a transition time to allow for students to make the change. Eventually no alternative bags, including black, different coloured or different styles will be permitted.

If there are questions regarding the College backpack you may send me an email: jpetschler@scholastica.nsw.edu.au.

Sport News

Term 1 Sport

COVID restrictions and some crazy weather have not stopped Term 1 sport. Schols' students are involved in no fewer than 13 sports including AFL, Badminton, Basketball, Cricket, Cross Country, Dragon Boating, Dance (Competition and Recreational), Rugby 7s, Tennis, Touch Football, Water Polo, Volleyball and Yoga. The cooperation has been wonderful. Thanks to all students.

Nearly 200 students attended Netball grading over the past two weeks and have now moved into fitness and skills training for the next four weeks. By the end of the term students will be training with their respective teams while Saturday 24th April will kick off the season.

Our **Dragon Boating crews** → participated in a regatta on Sunday at Rodd Point. For one new crew, it was their first regatta. Great to see.

In the next two weeks, as part of the IGSSA competition, grading will take place for term 2 Basketball and Football. Information on how to register for these sports has been sent.

Congratulations to our **Cricket Team** → at the CGSSSA Championships on Wednesday. After seven games the girls made the grand final where they were narrowly defeated by Monte. It was a great effort after a great day of competition.

A reminder to all year 7 students and new students that the swimming carnival will be held on Thursday 4th March at Drummoyne Pool. Students will go by bus to this event from school and return for periods 6 and 7. An email with the relevant information has been sent to the families of all new and Year 7 students.

UNI

UTS - Apply for the Engineering and IT Work Experience Program

Applications close 31 May 2021

Gain an insight into a career in engineering or IT - 22-26 Nov 2021
Get hands-on experience with this 5-day program designed to give you an insight into what it's like to choose a career in engineering or IT. You'll get to take part in a range of workshops (including computer science, cyber security, biomedical engineering, electronics engineering, civil engineering and more) as well as spend time with current UTS students and academics from UTS Faculty of Engineering and IT.

Work Experience week runs from 22-26 November 2021. Students are expected to attend for all 5 days.

ANU Tuckwell Scholarship - Be on the Mailing List

The program has a focus on giving back to Australia and is the only one of its kind that nurtures Scholars to fulfil their broader community ambitions over and above the pursuit of an undergraduate degree.

<https://tuckwell.anu.edu.au/applying/tuckwell-scholarship-mailing-list>

Sydney UTAS – Nursing in 2 years fast track degree

Direct applications to the University of Tasmania open in August. We offer a two-year fast-track Nursing degree from our campuses in **Rozelle** and **Darlinghurst**. As a student, you will work with experienced industry partners including hospitals, local health districts and aged care facilities in Sydney, giving you the hands-on practice that employers value and actively look for in graduates.

On graduation, you will be eligible to apply for registration as a nurse, and ready to begin an exciting career.

<https://www.utas.edu.au/courses/chm/courses/h3r-bachelor-of-nursing-fast-track-rozelle>

UTAS Paramedicine in 2 years fast track degree

Direct applications to the University of Tasmania open in August. Paramedics provide care to patients in the community and out of hospital settings. This field demands both highly developed clinical skills and the ability to think critically, even in stressful situations. We offer a two-year fast-track degree from our Rozelle campus, preparing students with opportunities to learn in simulated environments and in the real world. Students practice in the University's ambulance simulation vehicles and at various ambulance stations and other specialist health facilities, like hospitals and aged care.

NIDA Open Day – Save the date

12 June 2021

The National Institute of Dramatic
Art (NIDA) is Australia's leading
performing arts school and its
graduates are highly regarded
throughout the creative and
entertainment industries. In over
60 years, NIDA has grown from a
single acting class to a provider of
hundreds of courses for both the
professional and the passionate
student.

Whitehouse Campus Tour for Fashion or Interior Design

Our campus tours give you the
opportunity to visit either our
Sydney or Melbourne campuses,
meet staff and students and gain
in-depth information on our
courses, teaching and student life.
You will be able to ask questions
about the course, see the studios
and facilities and get a taste of the
creative atmosphere at
Whitehouse.

Gap Year Program Paid Position - LETZ LIVE

Letz Live is partnered with
renowned schools in Australia, New
Zealand, Thailand and throughout
the United Kingdom. These
partnerships let us arrange the
most comprehensive Gap Year
programs for young people who
want to take a break after
completing their secondary
schooling or university education
before diving into the workforce.

Whether you just need a break
from life at home or you want to
immerse in another country's
culture, you can count on Letz Live
to prepare a worthwhile experience
for you. We've felt that way, we've
gone on that adventure and we
want you to experience it too.
