

Edinburgh College

Local School... World of Difference

At Edinburgh College we offer your child continuous Christian education from Early Learning (2-5 years of age) to Year 12 on the one campus. Situated in Lilydale in the beautiful Yarra Ranges, our College is set on a quiet, picturesque, semi-rural property.

Our staff of experienced professionals are committed to providing a supportive, technology-rich learning environment with a strong academic focus. Parents are encouraged to participate in the education of their children through involvement in the various programs and objectives of the College.

Our Christian faith is central to the educational experience offered to our students. With an emphasis on biblical values our students are presented with the opportunity to encounter God through a personal relationship with Jesus Christ.

Our schools are inclusive and accept families who are supportive of our ethos regardless of religious affiliation.
