**YEAR 12**  
*What I will  
always  
remember...*

## As YEAR 12 comes to a close...

- ... Although I am ready to leave school, I am also sad...
- ... My friends here will be with me for life and friendships are never restricted to year groups...
- ... We have really amazing teachers who give us as much help as we need, both during and after School...

## What I will always remember...

- ... You know it's spring when there is a group of ducklings on the Red Bridge...
- ... I always made time to walk around the Centenary Trail before school at least once a week; it was worth it...
- ... the smell of the wisteria on the way to the dining room...
- ... setting up for Sport in the mist on the Games Field early on Saturday mornings...

WHAT I WILL ALWAYS REMEMBER...

... lying on the front lawn on my last Saturday night at Frensham with girls I have known for six years, singing and marvelling at the bright moon that outshone the stars...

... knowing you can say hello to everyone by name - teachers and girls...

... my favourite memories will be of skit nights, dress-up dinners, concerts, camps, discos, birthday waffles, Sunday 'big breakfast', 40 years on, socials, full School 'cops and robbers', Carols by Candlelight, Birthday lunch, Christmas lunch, Bush Dance, Father-Daughter Ball, Iris Country Fair, Girls vs Teachers softball, netball and hockey matches, singing with the whole school every morning... the list goes on...
