Why have you chosen to send your children to Murraylands Christian College - Murray Bridge?

(Parents)

I felt they would receive a good standard of education and the school would reinforce the moral values that we hold at home.

It is a place that develops the character of the children which in turn produces fruit.

From the Principal

Our History

Murray Bridge Christian College was developed in response to the direct leading of God to serve the local Christian Community. Leaders of a local Strathalbyn church, Emmanuel Christian Outreach, (a Bethesda Ministries International Church), were instrumental in pioneering the College. Planning began in 1994 and Murray Bridge Christian College opened its doors in February 2000.

Murray Bridge Christian College was born out of a desire to see young people grow up in a Christ-centered environment with a balanced education.

It is the College's aim to support both parents and the local church in developing the Christian character of young people, equipping them with appropriate academic, physical and leadership skills.

I look forward to meeting with you for a tour and to discuss your child's/children's involvement in our College.

Mrs. Angela Williams
Principal
